01 December 2015**

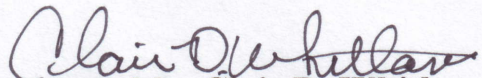

Brothers,

At the November 14th, Department Staff meeting, I was informed that Department Council Daniel W. Hans of Camp #5 was going through some personal and physical difficulties and submitted his resignation to serve as Department Council. A discussion was held by attendees and Brother James W. Ward of Camp #4 volunteered to set in the vacated council seat for the balance of this term.

Given that we are just over two months until the end of the current term. I do hereby appoint Brother James W. Ward to fill the vacancy made by the resignation of Brother Hans.

**Ordered this date:
December 1, 2015**
